In Memory of Glen Boner

December 21, 1971-
December 17, 1987

We'll Remember

Between the moments of laughter,
we'll stop to shed a tear,
in remembrance of the tragedy,
that came this passing year.

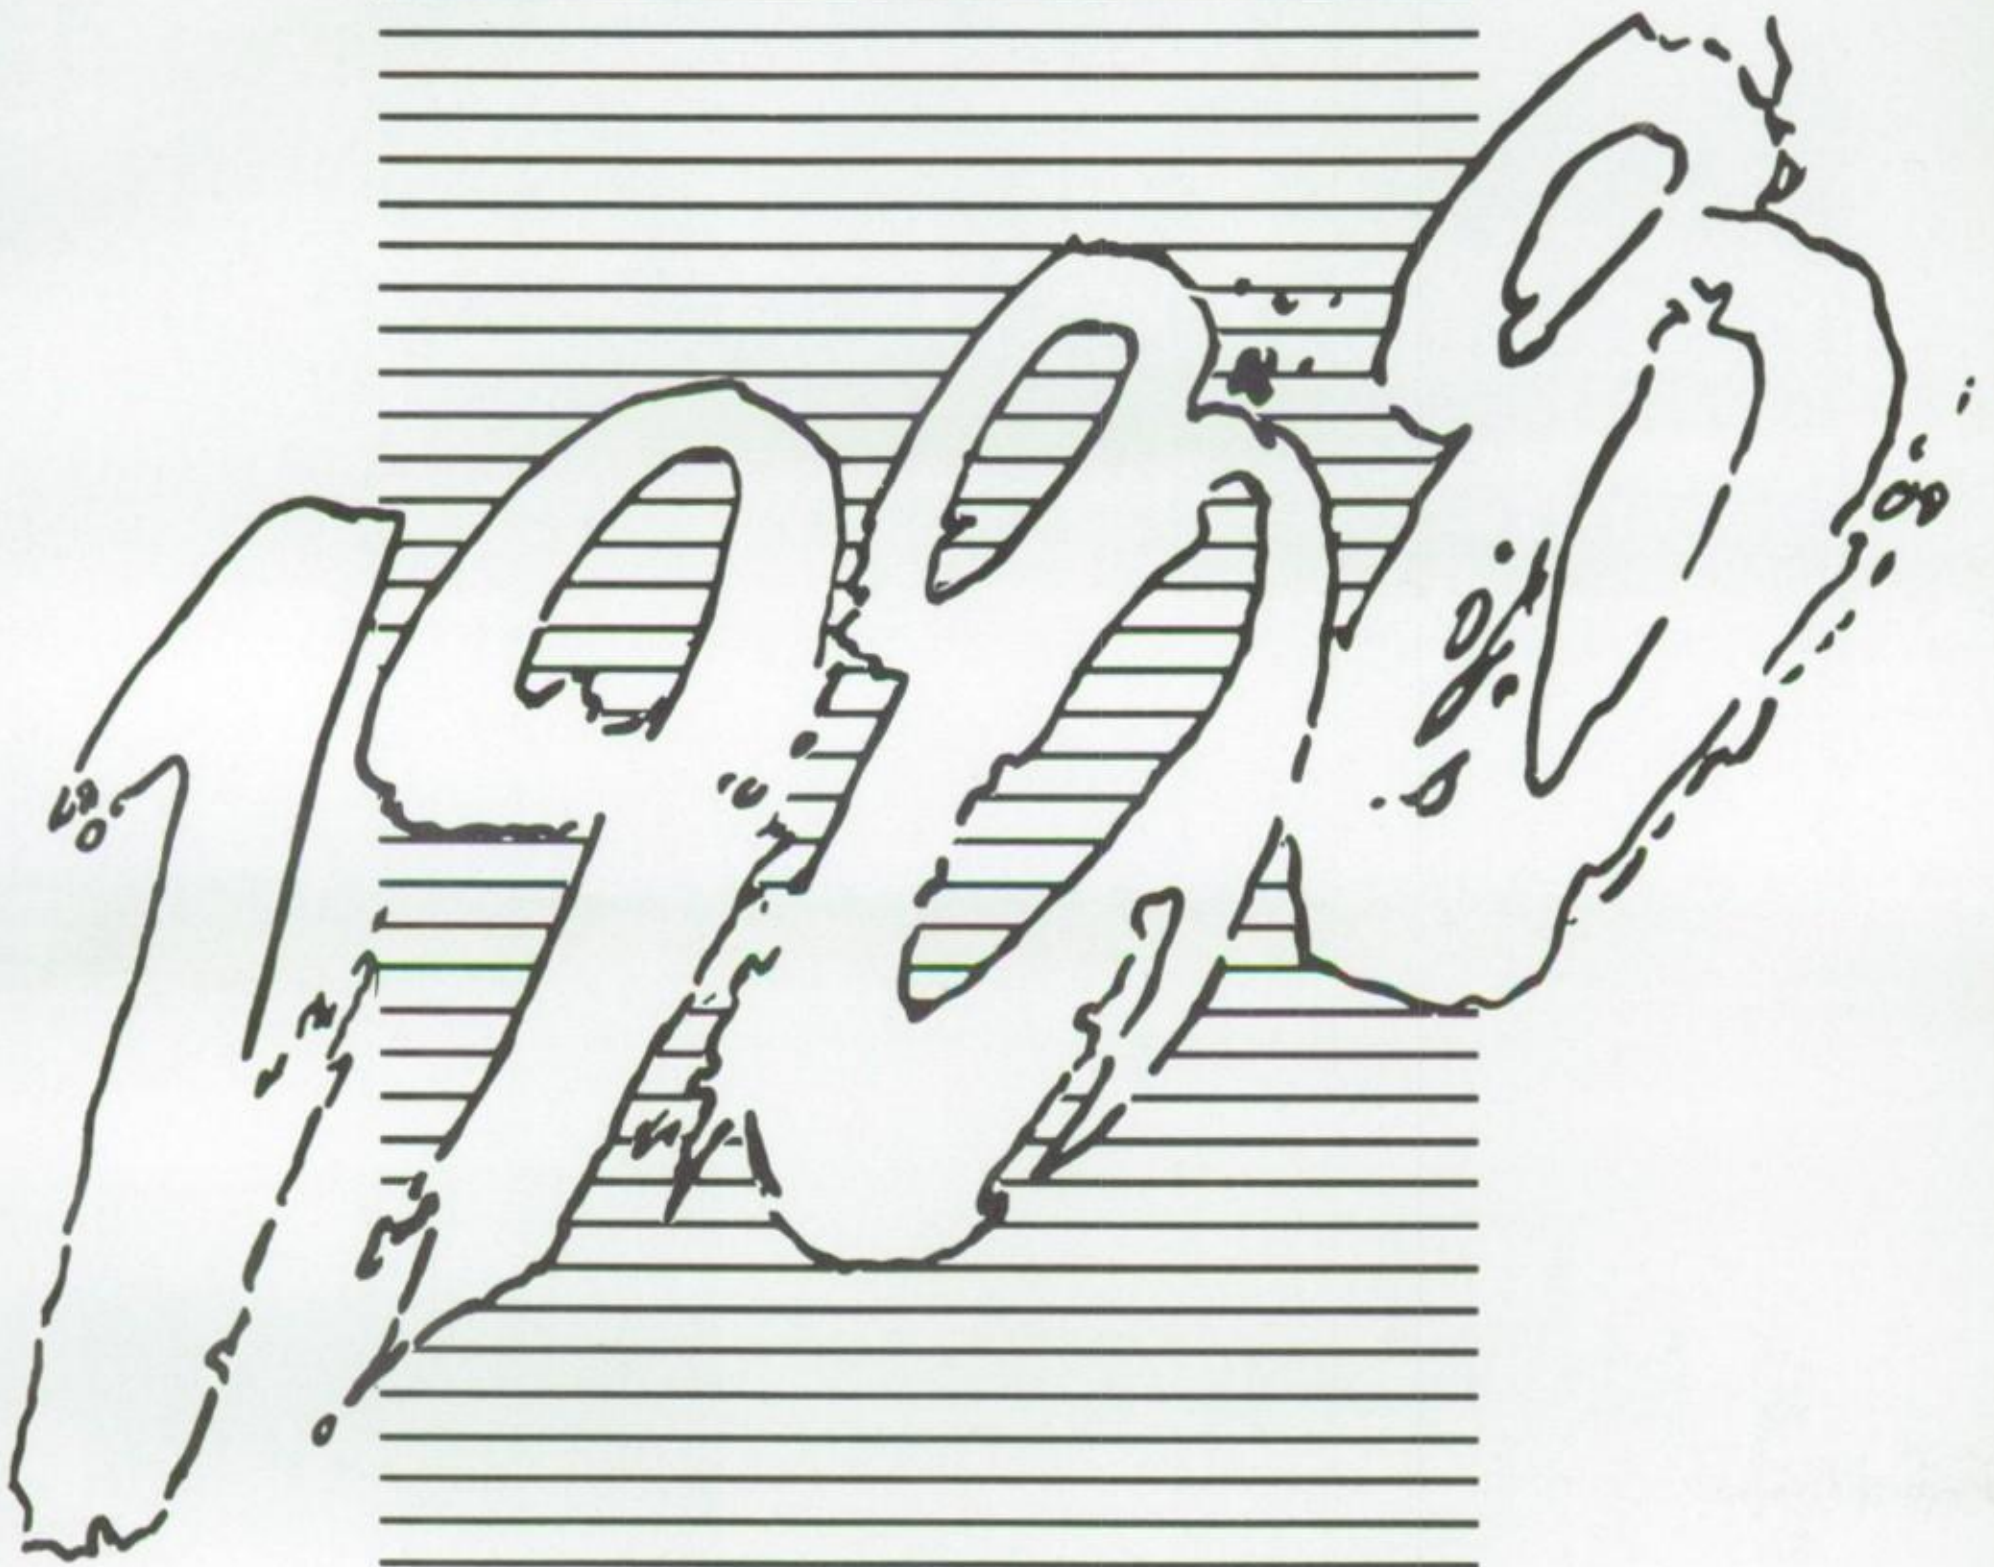

Still rich in devastation,
we'll watch the nights descend,
and pay tribute to Glen Boner,
whose life came to an end.

Between the scenes of gaiety,
we'll pause and be direct,
in remembrance of a fallen friend,
who deserves so much respect.

Still rich in haunting sorrow,
we'll watch the sun as it sets,
and give credit to Glen Boner,
as we speak of our regrets.

But although we'll miss him deeply,
we must think of this instead,
he has come to know the Master,
he has God's shoulder to rest his head.

The C.O. Baseball team finished 1988 with a sparkling record of 10-4. For the second year in a row the Trojans won the Greater Egyptian Conference. An early exit in the regionals prematurely ended not only an exciting, but also an enjoyable season.

The Crab Orchard Softball team came through with another winning season in 1988. They posted an overall record of 8-5. They really had to battle throughout the year to take as many games as they did. I'm proud of them, as they should be of themselves. I have enjoyed working with such a fine group of young ladies, and would like to wish them the best of luck in the coming years.

1988 COHS PROM

During opening ceremonies, Junior Class President Patty Doss welcomed everyone to the Holiday Inn. Class President Adam Mandrell responded on behalf of the seniors. Mr. Ozment reminded students of the importance of driving safely during the evening. Both the Junior and Senior Classes presented gifts to retiring teachers Donald Bethel and Velma McCollum. At right Shannon Richey presented Mr. Bethel with his gift from the juniors.

The year 1987-88 was a milestone in the lives of two members of the Crab Orchard High School faculty. Mrs. McCollum and Mr. Bethel retired after a total of 63½ years of service to the school. Our best wishes go with them as they leave us.

"... a quiet tension fills the room on this last day of school . . . The room is so blank. Our desks are cleaned out. The last traces of the party have been swept away. The charts and posters are down . . . I expect to see these students again, of course, but it won't be the same. They know it, and I know it."
